According to EPL policy, "meetings conducted entirely in person are the expected method of conducting official business." However, this month's agenda does not include any items that would prohibit a Board member from attending the meeting electronically, as long as all of the following conditions are met:

- a. At least four Trustees must be present in person at the designated location; and
- b. Trustees participating via electronic communications must be both seen and heard to participate in votes; and
- c. The presiding officer must take votes only by roll call; and
- d. Trustees must notify the presiding officer at least 72 hours in advance of the announced meeting time if they choose to attend the meeting via electronic communications; and
- e. Trustees may not attend more than two consecutive regular public Library Board meetings via electronic communications, and may not attend more than half of the Library Board's regular public meetings in a given year via electronic communications, unless the reason for attending electronically is due to military service; illness or other medical condition; death of a family member; or emergency involving actual or threatened injury to individuals or property.
